Last Updated 06/27/11

The nutritional and allergen information disseminated by 54th Street Grill and/or posted on the 54th Street Grill website was prepared by Nutritional Information Services (NIS, www.nistn.com). The data contained herein was compiled from nutritional information and ingredient and allergen listings provided by our suppliers and distributors, and by an analysis generated using a software analysis program. The menu items listed herein were examined for the presence of the following allergenic proteins and substances: Eggs, Fish, Milk, MSG, Peanuts, Shellfish, Soy, Sulfites, Tree Nuts, Wheat, and "Other Gluten". (Be further advised that the designation "Other Gluten" includes the grains Barley, Oats, Rye, Malt, Millet, Spelt, Kamut and Triticale.) Please be aware that during normal kitchen operations involving shared cooking and preparation areas, including common fryer oil, the possibility exists for food items to come in contact with one another during the preparation and cooking process. Due to these circumstances, we are unable to guarantee that any menu item is completely allergen free. We recommend that individuals with dietary allergies and intolerances avoid all fried food.

NIS is the guarantor for the information provided herein. 54th Street Grill and NIS assume no responsibility for errors in labeling or changes in the chemical or constituent composition of ingredients or prepared products used in this company's recipes and menu items that are the direct or indirect result of the actions or inactions of the suppliers, distributors, and purveyors of said ingredients and products.

The information listed here is meant to provide a general estimate of the nutritional values associated with our menu items. The actual nutritional values may vary from the values listed here due to variations in portion size(s), product preparation, and/or substitution of ingredients. If you have any questions or concerns about this nutritional and allergen information, or if you are sensitive to specific ingredients, please contact us at (816) 455-9008.
