

We have prepared this suggested list of menu options based on the most current ingredient information from our food suppliers and their stated absence of wheat/gluten protein within these items. Please be aware that during normal kitchen operations involving shared cooking and preparation areas, including common fryer oil, the possibility exists for food items to come in contact with wheat/gluten proteins. Additionally, fried food items could pick up wheat/gluten proteins during the cooking process.

WE RECOMMEND THAT INDIVIDUALS WITH DIETARY ALLERGIES AND INTOLERANCES AVOID ALL FRIED FOOD ITEMS.

Due to these circumstances, we are unable to guarantee that any menu item listed will be completely wheat/gluten-free.

PRIOR TO PLACING YOUR ORDER, PLEASE ALWAYS ALERT THE MANAGER TO YOUR FOOD ALLERGY OR SPECIAL DIETARY NEEDS.

* Asterisks denote food items that don't contain wheat/gluten proteins but could have them introduced during preparation.

♦ Contains or may contain raw or undercooked ingredients. The state and city health code require us to inform you that consuming raw or undercooked meats, poultry, seafood, shellfish or eggs may increase your risk of foodborne illness.

No Indicates an ingredient that comes standard with the menu item and contains gluten. You must specify to your server that you want the ingredient removed in order to ensure the item will be made without the gluten containing ingredient.

GLUTEN AWARENESS MENU
